

Fabio Caviggioli born the 15th December 1973 in Gallarate, has graduated in 1999 at the Faculty of Medicine at the University of Varese. At the University of Milan he achieved the specialisation in Plastic and Reconstructive Surgery in 2005 with full marks and honours.

In the academic year 2000-01 he attended the department of Chirurgie Plastique at Saint Roch hospital in Nice, occupying the position of “faisant fonction d’interne”.

In the academic year 2003-04 he attended the department of Chirurgie Plastique Réparatrice at Pellegrin-Tondu hospital in Bordeaux, occupying the position of “interne” Since 2004 he has become the Plastic Surgeon referent of “Fondazione Maddalena Grassi” in Milan for the treatment of wound “hard-to-heal” and he has become assistant of the II Division of Plastic Surgery of the IRCCS Istituto Clinico Humanitas. Since 2006 he teaches at the Faculty of Medicine and Biotechnology at University of Milan as an “expert in the field of Plastic Surgery” and teaches in the Master in Aesthetic Surgery “L. Donati” of the same University.

He is the author of many scientific publications in indexed international journals, participated in the writing of textbooks and monographs related to the Plastic Surgery and speaker at national and international conferences.

He deals with all aspects of Plastic Surgery, performing about 300 surgical procedures per year (cancer reconstructive surgery, body contouring after weight loss, cosmetic surgery)

Publications

In Press

Scar treatment by fat graft.

Klinger M, Villani F, Caviggioli F, Klinger F, Forcellini D.
Int J Adipose Tissue

Five-Year Outcome of Surgical Treatment of Migraine Headaches. [letter to the Editor]

Caviggioli F, Giannasi S, Vinci V, Cornegliani G, Levi D, Gaetani P
Plast Reconstr Surg.

Scars. A review of Emerging and Currently Available Therapies. [letter to the Editor]

Klinger M, Caviggioli F, Forcellini D, Villani F.
Plast Reconstr Surg

Basic science review on adipose tissue for clinicians. [letter to the Editor]

Klinger F, Vinci V, Forcellini F, Caviggioli F.
Plast Reconstr Surg.

Neurovascular compression of the greater occipital nerve: implications for migraine headaches.

Caviggioli F, Giannasi S, Vinci V, Cornegliani G, Levi D, Gaetani P.
Plast Reconstr Surg.

Autologous fat graft in post mastectomy pain syndrome.

Caviggioli F, Maione L, Forcellini D, Klinger F, Klinger M.
Plast Reconstr Surg. 2011 Aug;128(2):349-52.

Tuberous breast: morphologic study and overview of a borderline entity.

Klinger M, Caviggioli F, Klinger F, Villani F, Arra E, Di Tommaso L.
The Canadian Journal Of Plastic Surgery . 2011;19(2): 42-44

Breast fistula repair after autologous fat graft: a case report

Francesco Maria Klinger, Fabio Caviggioli, Davide Forcellini, Valeriano Vinci, Luca Maione, Giorgio Pajardi, Marco Klinger.
Case Reports in Medicine. 2011;2011:547387. Epub 2011 Jun 7

Reconstruction of a full-thickness alar wound using auricular conchal composite graft.

Klinger M, Maione L, Villani F, Caviggioli F, Forcellini D, Klinger F.
Canadian J Plast Surg, 2010, 18 (4): 149-151

L-scar Brachioplasty with muscular fascia plication

Fabio Caviggioli, Federico Villani, Ombretta Nucca, Valeria Bandi.
Chirurgia. 2010 June;23(3):59-62

Use of rhytidoplasty techniques in paratidectomy

Klinger M, Villani F, Caviggioli F, Peri A, Ottaviani P.
Chirurgia. 2010; 23, 3, 63-66

Parapharyngeal schwannoma treated by rhytidectomy approach

Ottaviani F, Caviggioli F, Villani F, Klinger F.
Chirurgia. 2010, 23, 3, 75-79

Fat Graft before breast reconstruction by latissimus dorsi

Villani F, Caviggioli F, Klinger F, Maione L, Klinger M.
Plast Reconstr Surg. 2010 Oct;126(4):190e-192e.

The most current algorithms for the treatment and prevention of hypertrophic scars and keloids

Caviggioli F, Maione L, Vinci V, Klinger M.
Plast Reconstr Surg. 2010 Sep;126(3):1130-1;

Treatment of chronic posttraumatic ulcers using autologous fat graft.

Klinger M, Caviggioli F, Vinci V, Salval A, Villani F.
Plast Reconstr Surg. 2010 Sep;126(3):154e-5e.

Nipple resuscitation by lipostucture in burn sequelae and scar retraction.

Caviggioli F, Villani F, Forcellini D, Vinci V, Klinger F.
Plast Reconstr Surg. 2010 Apr;125(4):174e-176e.

Cellular technologies: fat harvesting, processing and injection in scars.

Klinger M, Villani F, Caviggioli F, Bandi V, Banzatti B, Forcellini D, Nucca O, Klinger F, Catania B.
Agorà, 2010, 1.

Current Applications And Safety Of Autologous Fat Grafts: A Report Of The ASPS Fat Graft Task Force.

Villani F, Caviggioli F, Giannasi S, Klinger M, Klinger F.
Plast Reconstr Surg. 2010 Feb;125(2):758-9

Ectodermal Dysplasia with Amastia: A Case of One-Step Reconstruction.

Klinger M, Caviggioli F, Banzatti B, Fossati C, Villani F.
Case reports in Medicine – Hindawi 2009, Article ID 927354, 4 pages

Rehabilitation of Irradiated Head and Neck Tissues by Autologous Fat Transplantation

Villani F, Caviggioli F, Klinger F, Klinger M.
Plast Reconstr Surg. 2009 Dec;124(6):2190-1

Topical silicone sheets in the prevention of hypertrophic scars after reductive mammoplasty

Klinger F, Caviggioli F, Villani F, Forcellini D, Catania B, Vinci V.
J. Plast. Dermatology 2009; 5, 2: 1-5

Correlation between complication rate and perioperative risk-factors in superior pedicle reduction mammoplasty: our experience in 127 patients

Villani F, Caviggioli F, Banzatti B, Bandi V, Maione L.
Acta Chir Plast. 2009;51(3-4):65-8

Human adipose-derived stem cells: isolation, characterization and applications in surgery

Caviggioli F, Vinci V, Salval A, Klinger M.
ANZ J Surg. 2009 Nov;79(11):856.

Squamous cell deep carcinoma after abdominal dermolipectomy: a case report.

Klinger M, Caviggioli F, Klinger F, Villani F, Montorsi M
Int Surg. 2009 Oct-Dec;94(4):289-91.

Lipofilling e cellule staminali adipose.

Marco Klinger, Davide Forcellini, Valeria Bandi, Barbara Banzatti, Valeriano Vinci, Fabio Caviggioli. Attualità in Senologia. 2009; 59:35.

Scar treatment by lipostructure

Caviggioli F, Klinger F, Forcellini D, Catania B, Salval A, Vinci V, Villani F, Klinger M.. Update in Plastic Surgery, 2:2(2009), pp. 51-53

Gynaecomastia and tuberous breast: assessment and surgical approach.

Klinger M, Caviggioli F, Villani F, Forcellini D, Klinger F.
Aesth Plast Surg, 33:5(2009 Sep), pp. 786-787

Correction of cicatricial ectropion by autologous fat graft.

Caviggioli F, Klinger F, Villani F, Fossati C, Vinci V, Klinger M.
Aesthetic Plast Surg. 2008 May;32(3):555-7.

Use of Estlander flap in second surgery for lip repair.

Klinger M, Klinger F, Caviggioli F, Villani F, Forcellini D, Maione L.
Riv Ital Chir Plastica 2008 (40):71-16

Statistical approach in alginate membrane formulation for cell encapsulation in a GMP-based cell factory.

Villani S., Marazzi M., Bucco M., Faustini M., Klinger M., Gaetani P., Crovato F., Vigo D., Caviggioli F., Torre M.L.
Acta Biomater. 2008; 4:4 (943-949).

Galeal-occipitalis flap for reconstruction of post-oncologic defects of the lateral scalp.

Klinger F, Caviggioli F, Banzatti B, Bandi V, Villani F, Klinger M.

Hibernoma of the thigh.

Klinger M., Caviggioli F., Ventura DM, Pagliari AV, Villani F.
Chirurgia 2006. 19(2): 179-181

**Protective mask in quick rehabilitation after rhinoplasty on professional sportsmen:
Protective mask after rhinoplasty: Sports Medicine Update.**

Klinger F., Caviggioli F., Pagliari A.V., Andretto Amodeo C., Duchini S., Klinger M.
Scand. J. Med. Sci. Sports 2006 16:2 (142-143)

Galeal-occipitalis flap for reconstruction of post-oncologic defects of the lateral scalp.

Klinger F., Caviggioli F., Banzatti B.P., Bandi V., Villani F., Klinger M.
Chirurgia. 2006; (19,6): 455-458.

**Inverted nipple: use of an effective and personalized splint after the surgical correction
with Pitanguy's technique, to avoid the relapse of the inversion in 28 cases".**

Caviggioli F., Ventura D., Andretto Amodeo C., Klinger F.
Plas. Rec. Surg.

Diagnosis and treatment of face lesions in polytraumatized patients.
