

Curriculum Vitae

Personal Information

Name: Shin-Ichi Nishikawa M.D., Ph.D.

Date of birth: 03/06 1948

Gender: Male

Nationality: Japan

Correspondence address : Lab. for Stem Cell Biology,
RIKEN Center for Developmental Biology,
2-2-3 Minatojima-minamimachi, Chuo-ku, Kobe,
Hyogo 650-0047, Japan.

E-mail : nishikawa@cdb.riken.go.jp

Research Interest

- 1) Molecular and cellular basis of the stem cell niche
- 2) Steering ES cell differentiation
- 3) Molecular mechanisms underlying vascular remodeling
- 4) Developmental biology of the secondary lymphoid organ

Occupation:

May 2000 → present : Deputy Director of RIKEN Center for Developmental Biology and
Group Director of the laboratory for Stem Cell Biology

May 1993 → March 2003: Professor, Dept Molecular Genetics, Graduate School of Medicine,
Kyoto University

April 1987 → Sep. 1993 Professor, Dept. Morphogenesis, Institute of Embryology and
Molecular Genetics, Kumamoto University Medical School

Sep. 1983 → March 1987 Associate Professor, Dept. Microbiology, Chest Disease Research
Institute, Kyoto University

Nov. 1980 → Jan. 1983 Postdoctoral Fellow, Institute for Genetics, Cologne University

Dec. 1973 → Oct. 1980 Intern, resident, and principal physician
Hospital of Chest Disease Research Institute, Kyoto University

Education:

Jan. 1987 Philosophy Doctor (PhD) at the School of Medicine, Kyoto University

Nov. 1973 Obtained a medical licence (Licence# 220365)

April 1967 → Mar. 1973 Graduate School of Medicine, Kyoto University

Editorial Board

Development
Cell Stem Cell

Member of Advisory Council

Welcome Trust Centre for Stem Cell Research (Cambridge)

Stem Cell Institute of Bangalore (Bangalore)

Institute for Frontier Medical Sciences (Kyoto University)

Korea Advanced Institute of Science and Technology (KAIST)

Academic Associations:

International Society for Stem Cell Research

Japanese Society for Immunology

Japanese Cancer Association

Japanese Society of Inflammation and Regeneration

Japanese Society of Haematology

Government commitments:

The Bioethical Committee of the Cabinet of Japan

The Bioethical Committee of the Ministry of Education, Science, and Technology of Japan

The Stem Cell Therapy Committee of the Ministry of Health, Labour and Welfare of Japan

International Stem Cell Initiative

Prize:

Fritz von Siebold Prize (Germany)

Mochida Medical Foundation Prize (Japan)

Kiyohara Makoto Prize (Japan)
